

Meeting Room Use Policy

- I. The Coronado Public Library provides space for public use in the Winn Room and Conference Room. To ensure the rooms and facilities are available to all members of our community and they remain clean and functional, the Coronado Public Library Board of Trustees sets forth the following policy governing the use of the library meeting rooms.

- II. Definitions
 - A. Library and City Sponsored Uses.

A sponsored use is one that is initiated or sponsored by the Library or sponsored or permitted by the City of Coronado, with significant staff involvement, to deliver technology and informational literacy, early literacy, children's, cultural, and enrichment programming, and other programming offered for the benefit of the community.¹

 - B. Non-Library or Non-City Sponsored Uses. A non-sponsored use is hosted and presented by an individual or outside group and is not sponsored by the Library or the City of Coronado.

- III. Description of Rooms Available
 - A. The Winn Room: This room is available for public use by reservation. Maximum seating is 135 people.

 - B. The Conference Room: This room is available for public use by reservation. Maximum seating is 12 people.

¹ Examples of a Library or City Sponsored Use includes those where: (1) the City Council approves a special event permit that includes Library use; (2) the City Council awards community grant funding that includes Library use; (3) there is a Library-related MOU or contractual relationship between the City and the organization hosting the program; (4) the Library Board of Trustees authorizes sponsorship or partnership directly or through authority delegated to Library staff.

IV. General Regulations

To further the library's mission, the library provides public space subject to the following regulations:

- A. Non-Discrimination. Use of the Library meeting rooms shall not be abridged or denied because of race, color, age, sex, gender identity/gender expression, marital status, national origin, religion, medical condition, military/veteran status, ancestry, disability, political views or social views.
- B. Rules and Regulations of Use. Room use is subject to the Coronado Public Library's Rules of Conduct. The Director of Library Services is authorized to establish reasonable rules and regulations for the use of Library facilities, including the form and manner of application for use, requirements for care and cleanliness of library property and equipment, and conditions of access and security. Non-Sponsored uses of the Winn Room will be required to obtain liability insurance.
- C. User Agreement. In addition to such information as may be required by the Director of Library Services, applications for use of library facilities shall include a standard user agreement to indemnify and "hold harmless" to the fullest extent permitted by law the City of Coronado, its elected and appointed boards (including the Library Board of Trustees), officials, officers, employees, representatives and their volunteers. Further, the application shall include a user agreement which requires persons who reserve library facilities to repair or replace any library property or equipment lost or damaged incident to the use of library facilities, except for reasonable wear and tear.
- D. Staff Presence. At least one member of the library staff shall be present in the Library building whenever a member of the community uses the library facilities. Non-sponsored uses may be required to provide cost recovery for any library staff member whose presence in the building is due solely to the reservation for non-sponsored uses.
- E. Admission, Fees and Charges. Except as noted herein, no fee or charge shall be levied against individuals or groups for the use of library facilities, either by the library as a condition of use, or by any user as a condition for admission or attendance at any activity or function. Donations shall not be solicited. Notwithstanding the above, the following fees and charges are permissible:
 - 1. Collection of dues, membership fees, or similar minor fiscal transactions by a civic group, team, club, or non-profit organizations when such collection is integral to the function and purpose of that organization.

2. Collection of incidental expenses, e.g., to defray costs of coffee and beverages.
- F. Limitations on Commercial Sales or Fundraising Activity: The meeting rooms may be used for not-for-profit activities only.
1. Uses involving the marketing, sale or solicitation for the future sale of commercial products or services are prohibited.
 2. Use of the Winn Room as a place to conduct regular business or as a place to hold office hours is prohibited.
 3. Commercial sales or fundraising activity, physical or virtual, is prohibited except that the Library or the Friends of the Library may sell books, media, or premium event add-ons when the Library Services Director determines that such sales relate to or augment lectures, author appearances, or other Library or City Sponsored Use.
- G. Uses Must be Open to the Public. Uses in the Winn Room must be open to the public subject to capacity limits, except that uses for children's programming may require participating adults to be accompanied by a child (under 18 years of age).
- H. Library Rules of Conduct. All attendees must adhere to the Library's Rules of Conduct.
- I. Community Benefit. Use of the meeting rooms by any group or organization for Non-Library or Non-City Sponsored Programming is limited to civic, cultural, educational, informational or charitable purposes in furtherance of the mission of the Coronado Library and for the benefit of the community of Coronado.
- J. No Library Endorsement. Use of a meeting room by any group or organization for a Non-Library or Non-City Sponsored use does not in any way constitute an endorsement by the library of the group or organization, its activities, or of the ideas and opinions expressed.
- K. Non-Library or Non-City Sponsored Program Publicity Materials. Publicity materials for Non-Sponsored Use may recite the library name, address and appropriate room designation only. Publicity may not identify or imply the library as a sponsor. The library phone number shall not be used as a contact number, nor shall groups use the library as a mailing address. The advertisement or publicity materials (flyers, brochures, social media posts, etc.) shall include the following information:
1. Groups shall identify themselves as the host of the use and shall not name, or use the logos of, the Coronado Public Library or City of

Coronado or otherwise imply facility ownership or affiliation. Groups shall clearly explain that the use is free and open to the general public.

2. If a group seeks registration, the advertisement or publicity may only indicate that registration is desired but not necessary for attendance.
 3. Advertisements and publicity materials shall not include announcements of any charges or donations being solicited or required for admission.
 4. Advertisements and publicity materials shall contain all of the details including the day, date, time, and description, as well as the name of the sponsoring group and their contact information (phone numbers or email addresses) for more information or questions.
- L. Complaints. Complaints regarding the implementation of meeting room policies, or a program presented in a meeting room shall be submitted in writing to the Director of Library Services. The Director of Library Services shall consider and if possible, resolve the complaint. If, after reasonable efforts, the complaining party and the Director of Library Services cannot come to a resolution, the Director of Library Services shall refer the complaint to the Coronado Library Board of Trustees who shall hear and finally act on the complaint at a regularly scheduled meeting. All steps in the complaint process shall be formally documented.
