

COLLEGE ADMISSIONS DURING COVID-19

A Virtual Talk with Greg Kaplan

College Admissions can be a complicated process and this year applicants have a different set of challenges to navigate than before. College admissions expert and author of *Earning Admission: Real Strategies for Getting into Highly Selective Colleges* Greg Kaplan is here to help! This presentation will focus on how to succeed in the application process this year! A Q&A period will be offered following the talk.

Teens of all ages and their parents are invited to attend this virtual talk.
