

PAWS TO SUCCEED

Have you adopted a pet in the past few months? Have you found training and socialization to be a challenge? Maybe you've been home more than usual and need to help your pet adjust to a new schedule? PAWS trainer Chancel is here to help! Covid has changed many aspects of our lives and the lives of our pets, this talk will help give you the tools to manage your pets behavior as routines change and more!

10 a .m on Monday, September 21st

RSVP to receive the zoom link via the library calendar at cplevents.org or by scanning the code!

Video of the event will be available to the public to view via the library's Youtube page for one month following the event.
