ABOUT THE PRESENTER

Ryan Reichert, CFP®, EA is a financial planner and tax preparer practicing in Coronado, CA. He also teaches tax law for various organizations across the nation. Ryan specializes in helping families who are looking to retire and want to maximize their tax savings. His teaching style breaks down complicated tax topics into easy to understand material that you can apply to your own life. Ryan has recently started taking on clients again and is excited to guide you to a brighter financial path.
