## THE WAY WE GET BY TUESDAY, MARCH 23 @ 11 A.M. ON ZOOM

Join us for a free screening of the POV Documentary "The Way We Get By" directed by Aron Gaudet.

The National Pyrotechnic Festival in Tultepec, Mexico, is a site of festivity unlike any other in the world. Conflagrant revelry engulfs the town, while artisans show off their technical virtuosity. For the three-quarters of Tultepec residents who work in pyrotechnics, the festival anchors their way of life. It is an explosive event with unrestrained delight and real peril. Plunging headlong into the fire, *Brimstone & Glory* honors the spirit of Tultepec's community and celebrates celebration itself.
