Register at cplevents.org or by scanning the code.

ECO-WISE LECTURE SERIES

Join us for our summer series of Eco focused lectures presented in partnership with Emerald Keepers. All lectures will be recorded and available for on demand viewing following the events.

All presentations will begin at 11 a.m.

JULY 1: STATE OF THE AIR

Presented by the American Lung Association

For 22 years, the American Lung Association has analyzed data from official air quality monitors to compile the State of the Air report. The more you learn about the air you breathe, the more you can protect your health and take steps to make the air cleaner and healthier. The American Lung Association will share findings from their recently released 2021 report and what they mean for Coronado.

JULY 8: PERMACULTURE

Presented by Finch Frolic Garden Permaculture

Have you thought about Permaculture? Permaculture teaches how to design your property to manage rainwater, stack functions so that each element works with the other, how to feed your soil rather than your plants, cut your costs considerably, and so much more. Join Diane Kennedy as she explains why permaculture is accessible and beneficial for your property.

AUGUST 5: PURE WATER

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide more than 40% of San Diego's water supply locally by the end of 2035. Learn how the Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

Previous Talks:

[June 10: Organic Recycling](#)

Presented by Edco

Curious about Edco's new Organic Recycling program? Not sure it's right for you? Edco's Marco Topete shared the program's background, how it works, and answered questions.

[June 17: Electric Vehicle 101](#)

Presented by the Electric Vehicle Association of San Diego

Electric Vehicles are seemingly everywhere these days. Elaine Borseth, Vice President of the Electric Auto Association shared how functional electric cars can be, common misconceptions, and answered questions.
