

# LOOK TO THE SKIES

## AVIATION LECTURE SERIES

Find more information and register at [cplevents.org](http://cplevents.org) or scan the code.

Registration recommended but not required for in person events. Registration is required for Zoom only events.

### **Surprises, Milestones, & Disasters**

**Thursday, August 19**

**11 a.m. Winn Room**

U.S.S. Midway volunteer Capt. Rafe Arnott will deliver a fascinating lecture about life on the U.S.S. Midway and the unexpected missions that came it's way.

### **From TOPGUN to the Red Bull Air Races, a Naval Aviator's Journey**

**Tuesday, August 24**

**6:30 p.m. Winn Room**

Capt. Jim DiMatteo spent 25 years flying fighters in the US Navy. A graduate of the prestigious TOPGUN program, he will share his unique perspective on being from a naval aviation family. Additionally, he will share some insights about Red Bull Air Racing and its potential return to San Diego Bay.

### **San Diego, North Island, and the Birth of Naval Aviation**

**Thursday, September 2**

**11 a.m. Winn Room**

110 years ago, North Island became the birthplace of Naval Aviation. Join Larry Croll, a long time volunteer at the San Diego Air and Space Museum, and Coronado resident as he gives an overview of San Diego & North Island Aviation History.

### **The Indestructible Man**

**Tuesday, September 24**

**11 a.m. Zoom**

Dixie Kiefer was a pioneer in naval aviation who served in World War 1 and World War II. Learn about this incredible aviator's service to his country-which included surviving attacks from Japanese kamikazes, from author David Rocco

All lectures will be recorded and available for on demand viewing following the events.
