

# Tea with the Spreckels

Presented by the Coronado Public Library,  
Friends of the Coronado Public Library  
and the Coronado Floral Association

Enjoy an afternoon with special guests Lillie and John D. Spreckels. The Spreckels were two of most powerful residents of both Coronado and San Diego in the late 19th and early 20th centuries. Debbie Mathis Watts and Tom Dolan bring the Spreckels to life as they share some of the notable accomplishments and contributions that were made by this couple.

Fine music, historic tidbits and light refreshments combine to bring a bit of Coronado's past into the present as we celebrate the 100th year of The Coronado Flower Show.
