

An evening with

Laura McNeal

Join local author Laura McNeal, author of the 2019 Coronado Community READ, The Practice House, as she discusses her new book, The Swan's Nest. The novel brings to life the unlikely love affair between two great 19th-century poets, Robert Browning and Elizabeth Barrett. The Historical Novel Review calls it a "fitting tribute to the power of love and poetry" and Guernica says "It's hard to imagine history more irresistibly told."

Books will be available to purchase courtesy of Bay Books Coronado. The author will sign books following the event.
