## MUSEUM PLANS NATURE WALK ALONG OCEAN

A nature walk from the Museum of Natural History in Balboa Park will bring enthusiasts to Coronado on Saturday, March 29. The party, which can be joined by anyone-interested, will meet in front of Hotel del Coronado at 10 a.m. and finish there at noon. Plant life of the beach will be the subject discussed by the leader. Dr. Edith Purer, of the Science department, Hoover High school.

The sand dunes of the Silver Strand will be noted as well as plants of the ocean shore.
